NO MORE Fabric Tangles

The days of struggling to embroider finished or cylinder materials, or opening seams to get items hooped properly, are now over! The **unique tubular free arm configuration** of Persona

gives you the flexibility and ease to embroider difficult to reach areas such as caps, pockets and sleeves. Plus, it helps to reduce fabric tangles! The tubular free arm and the introduction of our new compact mini frames truly make Persona a **'singular sensation.'**

Embroider Hard to Reach Areas with Ease

		High Risk of Tangling	No Risk of Tangling
Standard Machine			
WITH PERSONA			

Embroider MORE in LESS SPACE!

With its **mere 18 inch wide footprint** – which is **less than a standard flatbed embroidery machine** – Persona can embroider more in **almost any space**, making it the perfect addition to any room in your house!

30% SMALLER

MINI FRAMES FOR HARD TO EMBROIDER AREAS

FOUR COMPACT FRAMES INCLUDED!

Brother created a new generation of **unique embroidery frames** that are included with the **Persona**. The frames make it easy to add touches of embroidery to small items, like children's garments and pockets. Four compact frame sizes are included, **ranging in size from 1.25" x 1.75" to 2" x 2"**.

ENHANCE YOUR CREATIVITY WITH INCLUDED ACCESSORIES

4-SPOOL THREAD STAND

Conveniently holds 4 spools of thread, so your next color is easily accessible.

8" x 8" AND 4" x 4" FRAMES

Embroider on Persona's large 8" x 8" embroidery area. Ideal for jacket backs and pillows!

**FREEDOM TO EMBROIDER FROM SMALL
TO BIG WITH FRAMES RANGING FROM
1.25" x 1.75" TO 8" x 8"**

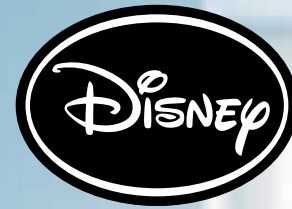

Optional Cap Frame shown. Available for additional purchase.

DISNEY IS IN OUR DNA

Hats off to the Persona

Easily embroider a range of designs on caps with the optional cap frame and driver set. And, for the first time ever, you can **embroider your favorite Disney characters on caps by purchasing designs on iBroidery.com!** Brother gives you exclusive access to the iBroidery.com Design Download Center, where you can choose from over 1,000 embroidery designs featuring Disney and Disney•Pixar characters. Purchase and download only the designs you want – no subscription required.

EASY TO USE, WITH BROTHER FEATURES YOU ALREADY LOVE

EASY TO USE 7" LCD DISPLAY

Watch on-screen tutorials, and control the machine with the large, intuitive on-screen icons. **See up to 260,000 colors** with little or no on-screen color shifting.

ADVANCED NEEDLE THREADING SYSTEM

Thread the needle in seconds with the **press of a button**. One of the industry's easiest threading systems, the same system found in our multi-needle embroidery machines.

BUILT-IN DUAL USB PORT

Import and export designs from your USB memory stick. Use the second port to connect to your computer to import and export designs or perform machine updates.

DROPLIGHT™ LED EMBROIDERY POSITIONING MARKER

Use the embroidery foot with the LED pointer to easily **see your needle drop position** – critical for embroidery. You can check the embroidery field easily with the trial key and the LED pointer. Also helpful while using the stitch forward and backward keys.

TIMESAVING CONVENIENCES

SIDE BOBBIN WINDING

Save time while you embroider with the easy access side bobbin winding system! **Wind a new bobbin while the machine is embroidering.** Brother recommends 90 weight bobbin thread.

VERTICAL BOBBIN – ANYTIME ACCESS!

“Anytime” access to the vertical bobbin located at the end of the tubular arm lets you **easily change the bobbin** without having to remove your hoop.

EASY THREAD COLOR CHANGES

The easy threading system allows you to tie the next color thread to the existing one and pull all the way through to the needle. This is made easy with the **4-spool thread stand**. Plus, the unique design keeps thread tails out of the way.

QUICK AND ACCURATE EMBROIDERY

Create more pieces in less time. Embroider at **speeds of up to 1,000 spm.**

ENHANCED EMBROIDERY EDITING

COLOR SORT

When combining designs, you can **easily cut down on thread changes** by having the machine sort the stitch order by color.

MULTIPLE-LINE TEXT INPUT AND ALIGNMENT

Easily embroider multiple **line** poems, phrases and birth announcements. Also allows for left, center and right alignment of text.

GO MONOCHROME WITH ONE TOUCH!

Push one button and **sew an entire design in a single color** with no stops for color changes.

EASY FRAME MOVEMENT

Move the frame on the LCD display with the stylus or your **finger** and watch the frame on the machine move!

BEAUTIFUL DESIGNS AT YOUR FINGERTIPS

Explore the extensive, awe-inspiring collection of Persona with access to embroidery designs, including **Vintage, Trendy and Floral Alphabet Designs**. Set your creativity free with the ability to add a personal touch with a professional finish.

**PERFECT FOR
MONOGRAMMING!**

Calligraphy Monogram design available at www.hangtodryapplique.com.

405 BUILT-IN DESIGNS

8 EMBROIDERY-LIKE
QUILT PATTERNS

140 FRAME PATTERN
COMBINATIONS

6 MONOGRAMMING FONT STYLES

20 EMBROIDERY FONTS

OPTIONAL ACCESSORIES

- **CENTER SHOE CLAMP FRAME**

Ideal for the back of a shoe or shoe tongue, this frame is designed with exceptional grip strength to hold the items in place during embroidering.

(PRCLP45B)

- **CAP FRAME AND DRIVER SET**

Easily embroider a range of designs on caps with the optional cap frame.

(PRCF3)

- **4" x 7" BORDER FRAME**

Re-hoop your fabric without removing the frame. Includes USB that contains 50 border designs.

(PRSBH1)

- **8" x 8" FLAT FRAME**

The unique design of this flat frame helps prevent excess fabric from getting in the way while embroidering. Ideal for bulky materials such as jacket backs.

(PRSFLH200)

FOR EVEN MORE CREATIVITY

- **ROUND FRAME SET**

Includes one 4", 5" and 6" frame. Perfect for stitching round designs and designs that require more stability.

(PRSRHK1)

- **CLAMP FRAME M**

This 4"x4" frame provides strong holding power that helps keep your project in place, without damaging the fibers.

(PRSCLPM1)

- **FREE-MOTION QUILT KIT**

Add free-motion stippling to quilts to achieve a personal finish.

(PRSFMK1)

- **MACHINE STAND**

This custom height-adjustable stand helps provide a stable base for your machine.
