About This Design

This spectacular bunny design is a lively potpourri of color and elements artistically blended into a delightfully fresh image of Spring. This design proves that elements can be successfully layered without creating bulk or stitching issues. The art is to vary the stitch densities to be lighter as needed to provide coverage without causing distortion or thread breakage. Please enjoy stitching this colorful bunny and see for yourself how well-digitized layers can stitch flawlessly.

The specific Exquisite Poly 40 thread color numbers and names are provided on the following page, which also shows the segments stitched in each color. Use these colors to get the result you see in the image of this design.
